

Rules and regulations for the Nordic Co-Production Market at New Nordic Films in Haugesund 2024

Selected projects must be presented in person by the producer and director in a 7-minute presentation at the Nordic Co-Production and Market in Haugesund on Wednesday, 21 August. All visual and written material for our program catalog and presentation must be submitted to the festival by 28 July.

Eligible applicants

- All Nordic production companies are eligible to apply. Films co-produced with at least one Nordic country and movies with a solid connection to the Nordic countries by story or location are also eligible to apply.

Project criteria

- Full-length cinema feature film
- Suitable for an international co-production
- Completed screenplay in English (preferably)
- Production budget: Moderate
- At least 30 % of the budget already covered (preferably)
- The company must have completed one international coproduction (preferably)

Project Submission

- Fully completed submission form
- Treatment in English (5-13 pages)

Application deadline May 28th, 2024

For selected projects, we offer:

- 2 nights' accommodation for producer and director
- Festival- and market accreditation for producer and director
- Tailored one-on-one meetings with industry professionals
- Description of selected project in program catalog and website
- Access to seminars, workshops and network events
